

Meeting minutes May 2023

- Dr. Michelle Armstrong was thanked for the organisation of the Annual Day of Immunology Award 2022.
- It was suggested that a suggestion box will be included at BSI and on the ISI website for nominations for the annual immunology award.
- The yISI are organising a meeting at TTMI on October 13th.
- It was decided that the yISI will be a formal subcommittee of ISI and they will generate their own logo and email address.
- The ISI submitted the letter to IUA about the current post-doctorate recruitment issue.
- The ISI held their first F2F outreach event since Covid and it was a huge success.
- The ISI are investigating sponsoring prizes for the Young Scientist.
- New outreach committee members will be assigned to drive initiatives in their own institutions.
- The ISI are working on an event to be held in conjunction with TCD's European Researchers Night, that will act as a pilot to increase clinical engagement with ISI.
- SITC are very enthusiastic about holding a satellite meeting with ISI and the ISI will submit a proposed outline and request.
- There were many initiatives discussed to help increase momentum around ECI 2024.
- Prof. Karen English will draw up an EDI policy for ISI.
