

Meeting minutes March 2023

- New committee members; Dr. Michael Freely, Prof. Karen English, Dr. Catriona Dowling & Dr. Melissa Conroy, were welcomed to the ISI executive committee.
- Prof. Karen English appointed as the new EDI representative.
- Dr. Melissa Conroy appointed as lead of the ISI outreach committee.
- It was discussed that new roles will be assigned to committee members.
- The ISI are preparing a letter to send to IUA about the post-doctorate recruitment issue.
- Videos that were contributed to EFIS from the ISI for day of immunology were displayed.
- As an effort to expand clinical engagement, the potential of hosting an informal networking event with clinicians & scientists was discussed.
- The potential of an informal ISI meeting at the BSI 2023 in Belfast will be explored.
- It was suggested that the ISI website is updated with details of the yISI.
- The date and venue for the ISI annual immunology award ceremony was moved to May and Prof. Kingston Mills will moderate the event.
- The ISI executive members will circulate a request to their institutions for volunteers to take part in ISI outreach activities.
- The potential of linking with IACR to join with ISI to have a satellite meeting prior to ECI will be explored.
